Disaster / Emergency Information
for
New Orleans' HIV Outpatient Clinic and LSU Infectious Diseases
Basic Science, Educational, Clinical, and Research Programs
<http://hivmanagement.org/emergency/>

This site includes the following critical information regarding the HIV Outpatient Clinic in New Orleans and the LSU Section of Infectious Diseases for use during emergencies:

1. **contact information for the staff of the LSU Infectious Diseases section, the HIV Outpatient Clinic, and Delta AETC.**
2. **information to access medications**, and
3. last-resort solutions for medication issues including discontinuation of **antiretrovirals** and **narcotics**.
4. **disaster planning**
5. **current location for obtaining healthcare if you are in New Orleans**

Find medical care and medication refills as soon as possible after any disaster. Do not wait until your medications are running low.
